

# VOCACENTER

**FIND GOD'S WISDOM FOR YOUR WORK.**

# THE STAKES

1

## Your Daily Reality:

work is what you do almost every day. It shapes your schedule, community, wardrobe and budget.

2

## Your Future:

work defines the options and identity you will carry with you for years to come.

3

## Your Impact:

work shapes and channels the impact your talents and resources have on the world.

# VOCA'S CAREER NAVIGATOR

brings you **three** things you need  
to identify and land the work that's right for you.

## INCREASED CONFIDENCE

Nothing steals confidence like a lack of clarity around our work.

The Career Navigator uses objective assessments and VOCA's proprietary feedback tool to give you a clear picture of your talents and how your capabilities translate into marketable skills.

## CLEAR MESSAGING

How do you show up and promote yourself in the competitive job market?

This is the question of messaging. The Career Navigator teaches you how to make a great first impression, show your value, and plan the conversations you will need to succeed in your search.

## A PLAN THAT WORKS

When it comes to going after a job, you need a plan that works.

Distractions, time wasters, and shallow advice are all robbing you of momentum and effectiveness in your quest for what's next. The Career Navigator takes you through clear steps that have proven effective for 100's of job seekers.

**We've helped others. We can help you.**

Couldn't quite find the right fit: I had invested years in an Ivy League education yet could not find the right fit. Unlike the career office at my graduate school, VOCA could tell me why. The Career Navigator helped me imagine and land a job that leveraged my training AND was a good fit for me. I am forever grateful for the excellent coaching I received!

*—PhD / MD, Pharmaceutical Analyst*

Looking for something new in my 50's: The process works! Everything you said was true. I am now in an exciting new role, in a new field AND I still have time to invest in a side pursuit that I believe is eternally significant.

*—Clergy Member turned Construction Manager*

Wondering why I always hit a wall in every job: A VOCA Coach called out my blindspots and illuminated the reality of "me at work." Our time together has been instrumental in discovering how to catalyze my strengths and work with my weaknesses. Self-awareness has increased exponentially. Career Navigator Coaching has been the best investment I've made for my career.

*—IT Professional*

Feeling like I didn't belong in my current role: VOCA helped me identify my strengths and how I can better navigate and produce results in my current position. I was not an imposter! My experience with VOCA was helpful in confirming how my current job/career matches my skills/gifts. It also helped me imagine my future beyond this role.

# THE RIGHT WORK FOR YOU

At VOCA, we know that you want honor God with your career and be an energized and valued contributor at work. In order to do that, you need to find good-paying work that is challenging and fulfilling.

The problem is that the options seem endless, organizations seem impenetrable, and since COVID19, it seems no one is hiring. This can leave you feeling overwhelmed and hopeless, wondering where God is in all this.

**We believe part of the Father's plan for your life includes your daily work.**

We understand how challenging it is to look for work or switch careers during a tough economy which is why we walk with our clients through a three-step process that empowers them to identify and land a job that fits. So you can stop wandering like a lost soul in the job market and instead do the work you are meant to do.
